Petitioner and Respondent jointly request that the Trademark Trial and Appeals Board suspend proceedings until the Examining Attorney has had time to consider Petitioner's response to Office Action.

Petitioner has filed the Settlement Agreement, which was filed with the Board on April 17, 2007, with the Examining Attorney and Respondent has taken the action

specified in the Settlement Agreement, to wit: Respondent has requested that Respondent's registration be limited as provided in the Settlement Agreement. Accordingly, Petitioner has requested the Examining Attorney to proceed with Petitioner's application. Petitioner will appraise the Board of the Examining Attorney's action regarding this request and take such further action before the Board at that time, should any be necessary.
